

CLEANER

TYTAN CLEANER is designed to clean, protect and extend the working life of foam guns, can valves, and dispensing equipment. TYTAN Cleaner's environmentally friendly formula is also designed to prepare surface applications to enhance adhesion, dissolve wet polyurethane foams and polyurethane adhesives before they cure. TYTAN Cleaner does not contain formaldehyde, R22 or CFCs.

FEATURES

- Superb for cleaning and dissolving uncured polyurethane foam, sealants and adhesives.
- Excellent for surface preparation for enhanced adhesion.
- Essential for cleaning, maintenance and proper function of foam guns.
- Prevents sealing of can and gun valves between uses.

APPLICATION INSTRUCTIONS

1. Wear work clothes, gloves and eye protection. Use only with adequate ventilation or wear approved respiratory equipment.
2. Product is **FLAMMABLE DURING DISPENSING**. Keep away from all flames, burners, stoves, heaters, pilot lights, and disconnect all electrical motors and appliances before use and until all vapors are gone. Do not smoke, use matches or lighter while using the product. Read all instructions and safety information prior to use of any product.
3. Shake can 30-45 seconds before attaching to TYTAN foam gun or spraying.
4. Remove protective cap, invert can and screw can firmly onto recommended TYTAN gun - Do not over-tighten.
5. If using to prepare surfaces or general cleaning, attach enclosed red nozzle, pointing opening in a safe direction. Aim towards the surface to be cleaned, slowly depress red nozzle to spray the cleaner. In case of delicate surfaces or fabrics, test a controlled and non-exposed area for evaluation.
6. It is recommended to clean the foam gun after every use.
7. Point gun in safe direction and carefully pull the trigger until solvent extrudes from the gun tip. Release the trigger and let cleaning agent soak in for one to two minutes. Pull the trigger again and dispense residue into suitable container. If necessary repeat procedure two or three times until clear cleaning agent appears from the barrel.

◦ NOTES:

- Clean TYTAN Foam Gun thoroughly with TYTAN CLEANER immediately after use to prevent foam from hardening in gun.
- Uncured Foam - Clean immediately with TYTAN CLEANER.
- Cured Foam - if hardened on skin - use an industrial cleaner with pumice. Repeat process until foam is removed. Cured foam must be mechanically removed or allowed to wear off in time.

LOGISTIC INFORMATION

Product Code	Size	Packaging	Case Pack
0799	12 oz. (340g)	Aerosol can	12

SHELF LIFE AND STORAGE

Shelf life of the product is **36 months** from production date, printed on the bottom of each can. Store upright in cool and dry area at temperature 40°F to 90°F. Do not expose to open flame or temperatures above 120°F to avoid excessive pressure build up. Keep away from any source of heating and open flame. Keep out of reach of children.

SAFETY AND WARRANTY

SAFETY: HARMFUL CONTENTS UNDER PRESSURE.

Contents may burst if left in areas susceptible to extremely high temperatures. Do not place in Hot water. DO NOT PLACE OR STORE IN A CLOSED AREA SUCH AS A CAR. USE ONLY IN WELL VENTILATED AREAS.
